It has been an honor to lead Walk in the Word for more than 13 years. How I've seen the Lord use this ministry is beyond what I could have hoped for or imagined and to have a part of it has been such a privilege. My heart is full of gratitude for the years we have held this role. However as we are led into new seasons, we've come to the decision to submit my written resignation as Executive Director of Walk in the Word.

The team at WITW is incredibly talented and committed. The guys on XLT are some of the best leaders I know and have become some of my closest friends over the years. I'm a better leader because of the incredible partnership with Pastor James. I'm proud of the work we have done together and I'm humbled to see how my contribution has been used by the Lord.

After leading WITW from Michigan from 2005 - 2008, we agreed to move our family to Illinois because we didn't feel our work was done with the ministry. We've been here for over 10 years, including 6 years when my husband was on staff. Our kids are both grads of HCA. Our daughter is still on staff with WITW. As a family - we have been so blessed to be a part of Harvest. It will always be 'our church.'

After much time and prayer, my husband and I have made a decision to move back home to Michigan to be near family and to our aging parents. My mom, especially has always been so supportive of my work in ministry for nearly 30 years total, including our move here. She is now into the years when we want to be close to her.

I love the ministry of Walk in the Word. I have poured my life into my work. I love James and Kathy and will be forever grateful for the trust and confidence they have placed in me. These last 13 years have been a professional high water mark for me.

With deep appreciation
