Philippians 3:1-16

1. REVIEW

What's the longest time you've ever spent in one place?

Read Philippians 3:1-16. Paul is warning the church. Using your own words, make a list of the warnings below.

How does Paul describe their value? Why does Paul believe these things should be left behind?

2. ASSESS

When you reflect on the past few years of your life, what do you wish you could leave behind?

What habits or patterns of thinking need to change for you to leave those things behind? With whom do you need to hit "RESET?"

3. APPLY

How will you heed Paul's warning and create new habits and thought patterns? Who in your group will check-in with you on these new habits and thoughts?

Prayerless is a symptom of a way of thinking that says, "I can handle this on my own." Spend some time in your group confessing your sins and praying for God to transform you.
