

Steady hands = enduring strength in God.

# PULPIT CURRICULUM

**READY. SET. GOD.**  
**Exodus 17:8-16**

## 1. REVIEW

What is the most significant thing you've seen the Lord do in your life in the past year?

---

---

Read Exodus 17:8-16. God could have defeated Amalek immediately. Why do you think God chose to let this battle go on all day with Moses' arms lifted?

---

---

God wants to use His people to accomplish His purposes. Why do you think that is? What happens to us when we are used by God?

---

---

## 2. ASSESS

How have others "held up your arms" in the midst of a difficult time? How did that impact the battle in front of you?

---

---

---

---

What battles are you fighting right now? How steady are your hands?

---

---

---

---

## 3. APPLY

What stories of God's faithfulness do you need to write down so that you can remember and share? Tell your small group right now and share with one other person this week.

---

---

---

Take time right now to pray specifically for the spiritual battles your group is facing. Be intentional about holding each other up this week.
