

Every time you feel conviction you have a choice: will I respond and obey, or continue down the same wrong path?

PULPIT CURRICULUM

RELIGHT / RESTORE / RECOMMIT

Nehemiah 9-10

1. REVIEW

When have you felt “stuck” in the habits and routines of life? What did you do to get “unstuck?”

Read Nehemiah 9:1-8. God hasn't just been rebuilding a wall; he's been rebuilding a people. What pattern do you see in these verses as the people return to him?

Why do you think the people needed to return to God?

2. ASSESS

Close your eyes for a moment and imagine the following: what would your life look like if you closely followed all five of the patterns from the sermon? What would be different? What would be the same?

(See the notes on the other side of this curriculum for those five patterns.)

Where do you need to relight, restore, or recommit to God?

3. APPLY

Some of us need to return to old, healthy patterns. Some of us need to do things we've never done before. What will you do this week to begin to establish those patterns?

How, specifically, will you be held accountable for these things in the weeks to come?
