PULPIT CURRICULUM

MEASURE WHAT MATTERS

Colossians 1:1-14

1. REVIEW

Consider the resolutions you made this year. Which ones really matter?

Read Colossians 1:3-14. Paul starts this letter by sharing his thankfulness for the faith of the Christ-followers in Colossae. How does he describe and measure their faith?

How often do you stop to measure your own faith? What factors do you consider?

2. ASSESS

Compare your faith to that of the believers in Colossae. What would Paul write about you?

What measure from the message do you need to focus on in the days ahead?

3. APPLY

When Paul prayed for the Colossians, he was specific. He prayed that they would be “...filled with the knowledge of his will in all spiritual wisdom and understanding...” Stop and pray this specifically for each other right now.

How will you take steps towards “...being filled with the knowledge of his will in all spiritual wisdom and understanding, so as to walk in a manner worthy of the Lord, fully pleasing to him, bearing fruit...” regarding the measure(s) you identified above this week?
